Excellent biography of Henry Flagler. The book contains great detail about Flagler's impact on St Augustine and Florida's east coast, including the building of his great hotels and the Florida East Coast Railroad. Sources cited. Graham, T. (2014) Mr. Flagler's St. Augustine (A Florida Quincentennial Book). Gainesville, FL. University Press of Florida. Keys, L. (2015) Hotel Ponce de Leon: The Rise, Fall, and Rebirth of Flagler's Gilded Age Palace. As far as I'm concerned, this book should be considered required reading for anyone taking a course in Florida history, as Henry Flagler's influence on St. Augustine and the entire state, simply cannot be overstated. Dr. Graham's eloquent portrayal of a man who was a true visionary will live long into the future. Excellent biography of Henry Flagler.
