Music in Egypt: Experiencing Music, Expressing Culture (review) Kristina Nelson Asian Music, Volume 42, Number 1, Winter/Spring 2011, pp. 126-129 (Review) "Experiencing Music, Expressing Culture" is a great series of books about music cultures all over the world. Eschewing the idea of a university "world music survey" course using a single textbook, the editors of this series instead offer a series of smaller books, each one covering the music of a specific region of the world.
