My son and I love the National Geographic Readers. My son (8) is an ESL learner and these books are great for learning English and reading. He loves Polar Bears and watches on TV, but doesn't always understand the English. Phil Keoghan helps tag whale sharks. Correspondents investigate super recognizers, life in Fukushima and heart disease in mummies. The National Geographic Little Kids First Big Book of Animals is an adorable animal reference sure to be welcomed by parents and librarians alike.
