Add to Wish List. A global overview of the most innovative and arresting pavilions, one of the most popular built forms for both architecture practitioners and students. See Inside. Share; Previous Lumitecture. ...Enter your mobile number or email address below and we'll send you a link to download the free Kindle App. Then you can start reading Kindle books on your smartphone, tablet, or computer - no Kindle device required. The pavilion is the architectural form of the moment, enabling emerging architects to make their mark. Often ephemeral and orientated to a specific function, they are less expensive than their more permanent architectural cousins, which allows for more experimentation or inventiveness than in larger
