

Download Nude Men From 1800 To The Present Day

The Leopold Museum in Vienna, Austria has just presented a controversial exhibition titled NUDE MEN: From 1800 to the present day, and this very handsome book mirrors the substance of that exhibition. The book *Nude Men: From 1800 to the Present Day*, Edited by Tobias G. Natter and Elisabeth Leopold is published by Hirmer Publishers. Previous exhibitions on the theme of nudity have mostly been limited to female nudes. With the presentation “naked men” in the autumn of 2012 the Leopold Museum will be showing a long overdue exhibition on the diverse and changing depictions of naked men from 1800 to the present.
