This list of mobile autism apps has been compiled to help those living in the spectrum and their families to navigate daily challenges, enhance learning, and educate themselves on autism. New research shows that American parents — especially mothers — talk about numbers much more often with their sons than with their daughters. Yahoo Lifestyle is your source for style, beauty, and wellness, including health, inspiring stories, and the latest fashion trends. LGBT parenting refers to lesbian, gay, bisexual, and transgender people raising one or more children as parents or foster care parents. This includes: children raised by same-sex couples (same-sex parenting), children raised by single LGBT parents, and children raised by an opposite-sex couple where at least one partner is LGBT.
