Nurse practitioners are advanced practice registered nurses (APRNs) that hold advanced degrees, either a Master of Science in Nursing (MSN) or a Doctor of Nursing Practice (DNP). This one day conference designed to support advanced nurse practitioners - and nurses aspiring to work at an advanced level - will explore the four pillars of advanced nursing practice, career development as well as the dynamic and diverse nature of the role. Nurse Practitioner Central is the largest site that offers information to NPs such as jobs, continuing education, legislation, etc. Psychiatric mental health nursing is a specialty within nursing. Psychiatric mental health registered nurses work with individuals, families, groups, and communities, assessing their mental health needs.
