RESOURCES. Multiple Intelligences Resources. Allen, David, ed. with foreword by Howard Gardner.

ASSESSING STUDENT LEARNING: FROM GRADING TO UNDERSTANDING. Rogers Ranch is a STEM school. STEM education focuses on academic programs that combine science, technology, engineering, and mathematics in meaningful, hands-on, inquiry-based learning environments. Welcome. This Admissions section serves as your resource for learning more about the inquiry and application process, and is designed to help guide you in your decision-making regarding Powhatan School and independent schools in general. This page is a collection of links for parents and teachers. Topics are based on the curriculum for Kindergarten through grade five, although many pages will be of interest to older students. This page also includes a list of publishers and software companies.
