Publication date 2014 Title Variation Oh, the humanity and other good intentions ISBN 9781559364652 1559364653 Bookshare - Accessible Books for Individuals with Print Disabilities A football coach waxes philosophical to the media after a disastrous losing season; an airline spokeswoman tries to find the beauty in tragedy; two lonely souls lay themselves bare before a video dating service; a pair of photographers work to recreate the perfect photo. The five short plays that make up Oh, the Humanity and other good intentions move toward feeling by way of thought, and toward gratitude by way of loss. These largely sane plays feature people alone or in pairs, or both, attempting to present themselves in the best light, or ultimately, desperately, in any light. Inadvertently vulnerable, or unconsciously callous, or both, the characters here ...
