Michel Foucault has become famous for a series of books that have permanently altered our understanding of many institutions of Western society. He analyzed mental institutions in the remarkable ...Paul-Michel Foucault (/ f u ? ? k o ? /; 15 October 1926 – 25 June 1984), generally known as Michel Foucault (French: [mi??l fuko]), was a French philosopher, historian of ideas, social theorist, and literary critic. Power, the third and final volume of The New Press's Essential Works of Foucault series, draws together Foucault's contributions to what he saw as the still-underdeveloped practice of political analysis. Western culture, sometimes equated with Western civilization, Occidental culture, the Western world, Western society, and European civilization, is a term used very broadly to refer to a heritage of social norms, ethical values, traditional customs, belief systems, political systems and specific artifacts and technologies that have some origin ...
