

Download Orality And Literacy In Modern Italian Culture

This is a collection of poems whose focus is on activities of wizardry as practiced in different parts of the world, despite the thematic title that captures the Nile, for specific reasons to be explained later. Kobi Kabalek, Haifa University, Holocaust Department, Adjunct. Studies Modern German History, Memory Studies, and Cultural History. Nicole duPlessis, Independent Scholar, English Department, Department Member. Studies Orality-Literacy Studies, English Literature, and Utopian Literature.
