

Download Peace Work Milligan Memoirs Book 7

Spike Milligan's string of World War II memoirs gets high accolades, and they deserve their praise. However, something often overlooked is that Spike recorded the audio book versions of each of the books himself! They are treasures! He is a gifted reader, creating voice characterizations for all his friends and the odd characters he meets over his war years (and slightly beyond). Milligan's view on war is clearly stated in the book but his humor always shines through. A look at life from a long gone era by one of Britain's greatest funny men. You can see where the Goon humor was nurtured in these books. If you are a Goon fan, a Milligan fan or indeed a British comedy fan, then this series of books are something you just can't not read. Spike Milligan's legendary war memoirs are a hilarious and subversive first-hand account of the Second World War, as well as a fascinating portrait of the formative years of this towering comic genius, most famous as writer and star of The Goon Show.
