About Pedagogy of the Heart Pedagogy of the Heart represents some of the last writings by Paulo Freire. In this work, perhaps more so than any other, Freire presents a coherent set of principles for education and politics. Paulo Freire is the author of the bestselling Pedagogy of the Oppressed as well as Education for Critical Consciousness, Pedagogy in Process (The Letters to Guinea-Bissau), Learning to Question (with Antonio Faundez), and Pedagogy of the City. "Pedagogy of the Heart" should be a mandatory read for all educators or soon-to-be-educators (after finishing "Pedagogy of the Oppressed"). I'm thrilled that his works are so well translated and still available to purchase.
