

Download Pergolakan Pemikiran Islam Ahmad Wahib

Ahmad Wahib presents to us his thoughts written in frankness and of pure reflection. Pergolakan Pemikiran Islam is not an argument nor is it instructional. It's the writings of a young Indonesian thinker in his prime who spends a few years of his life documenting his thoughts and questions. And in its final form, a book worth reading if only to hold a mirror against your own beliefs. Ahmad Wahib kala itu sedang mengalami pergolakan batin. Wahib tidak pernah menyangsikan dirinya sebagai seorang Muslim, namun ia juga tidak serta-merta merasa di pihak yang paling benar. "Tiap-tiap agama harus merasa bahwa dialah agama Allah. Dialah yang universal dan abadi," tulisnya. Ahmad Wahib (November 9, 1942 - March 31, 1973) was an Indonesian progressive Islamic intellectual. He is known for his reformist thinking especially from his diary in the publication Pergolakan Pemikiran Islam (Upheaval in Islamic Thinking) edited by his fellow progressive Islamic thinkers Djohan Effendi and Ismet Natsir. Download Ebook Pergolakan Pemikiran Islam - Ahmad Wahib Cetusan-cetusan dari pergolakan pikiran itu tampak dan sangat mewarnai catatan-catatan hariannya. Karena itu tidak mengherankan apabila banyak hal-hal yang ditulisnya cukup membuat dahai kebanyakan orang mengerut, lebih-lebih bagi mereka yang menganggap apa yang dipersoalkannya adalah soal-soal yang tabu dan final.
