

Download Pharmacology For Undergraduates

We promote independent student research at every level. Our faculty labs train undergraduates, graduate students and postdocs, building a robust research community that ensures strong mentoring and well-supported learning opportunities for all of our researchers. Welcome to the British Pharmacological Society. The Society is a charity with a mission to promote and advance the whole spectrum of pharmacology, and leads the way in the research and application of pharmacology around the world. The distinctive education we offer here is founded on values enriched and enlivened by the diverse research expertise of our staff. The Department is a vibrant, stimulating and friendly place in which to study. Enter your mobile number or email address below and we'll send you a link to download the free Kindle App. Then you can start reading Kindle books on your smartphone, tablet, or computer - no Kindle device required.
