Plato's most famous work is the Republic, which details a wise society run by a philosopher. He is also famous for his dialogues (early, middle, and late), which showcase his metaphysical theory of forms—something else he is well known for. Phenomenology is the study of structures of consciousness as experienced from the first-person point of view. The central structure of an experience is its intentionality, its being directed toward something, as it is an experience of or about some object. Great Dialogues of Plato [Plato, W. H. D.
