John Barton

Playing Shakespeare is the premier guide to understanding and appreciating the mastery of the world's greatest playwright. Together with Royal Shakespeare Company actors—among them Patrick Stewart, Judi Dench, Ian McKellen, Ben Kingsley, and David Suchet—John Barton demonstrates how to adapt Elizabethan theater for the modern stage. Phenomenal series is basically a modestly filmed actor's studio as the RSC discuss the facets and concepts of performing Shakespeare's text. In a one-room backstage setting, the truly brilliant John Barton guides the viewer and a troupe of bona fide legends (household names too numerous to list here) on unlocking the clues hidden in the text. John Bernard Adie Barton, CBE (26 November 1928 – 18 January 2018) was a British theatre director and (with Peter Hall) a co-founder of the Royal Shakespeare Company. The BBC Television Shakespeare is a series of British television adaptations of the plays of William Shakespeare, created by Cedric Messina and broadcast by BBC Television.
