Written by a Pennsylvania Dutch healer in the 1820s, this book is a rambling collection of rural home remedies and folk invocations. Pow-wow is a unique creole of Christian theology and a shamanistic belief system. Pow-Wows; or, Long Lost Friend is a book by John George Hohman published in 1820. Hohman was a Pennsylvania Dutch healer ; the book is a collection of home- and folk-remedies, as well as spells and talismans .POW-WOWS or THE LONG LOST FRIEND AN EMBLEMATIC EXAMPLE OF THE EUROPEAN INFLUENCE ON HOODOO. Social conditions in the United States during the 19th and early 20th centuries were such that books for, by, or about members of the African-American community were very rare. I purchased this book from amazon for \$13.99. This is a good remedy book. It's a remedy/spell book if you ask me. I purchased a actual remedy encyclopedia book and it was garbage I don't like it at all, However this Pow wow or long lost friend book is more of a remedy book than the actual remedy encyclopedia book I purchased.
