

Download Public School Ivy League Resources

"Public Ivy" is a term coined by Richard Moll in his 1985 book *Public Ivies: A Guide to America's Best Public Undergraduate Colleges and Universities* to refer to U.S. universities that are claimed to provide an Ivy League collegiate experience at a public university price. Public Ivies are considered, according to *The Journal of Blacks in ...The Public Ivy League: Awards Circle*. While all of the schools on our list of Public Ivy League schools provide great options for inexpensive and high-quality education, we wanted to highlight the stand-outs when it came to cost, size, and selectivity. Turning down an ivy for a public school may save you money, but the stuff you learn at a well respected private school is priceless. I am definitely glad I chose this place over the college across the bay even though it costs more. Final Thoughts on the List of Public Ivy League Schools All of the public Ivies offer a very high standard of education, which any student can be proud to be associated with. For people coming from the same state as the public ivy league schools, they offer tremendous value for money.
