

# Download Rails Over The Mountains

I'm a huge fan of Mayfair Games in general. I really enjoy the Empire Builder mechanic on which Martian Rails is based. However, this specific edition of the game is terrible. This line started out as the Saint Louis, Kansas City and Colorado Railroad, who built the first vestige of the line between Saint Louis and Union in 1887. Trails & Rails May 5th - Sept. 2nd (7 Days a Week) Sept. 3rd-Oct. 27th (Monday-Saturday) This package is over for 2018. Please check back in 2019 for updated information. Backpacking in the Ruby Mountains by Elko Nevada. Info on trails, Lakes and more.
