Cooking with Weed – Edible Marijuana Recipes. Marijuana is oil-based, so knowing this is very important when it comes to cooking with cannabis. Coconut oil, revered for its health enhancing qualities, replaces traditional butter in this moist brownie recipe. Infuse cannabis coconut oil the same way you would any other oil. There are thousands of recipes for making marijuana edibles ranging from the famous pot brownie to incredible gourmet meals. Though the possibilities are endless, each marijuana recipe contains one key ingredient at its heart, cannabis infused butter or oil. When making ‘marijuana edibles’, you don’t just throw the marijuana buds into the food and chow down, believe it or not. The THC (tetra-hydro-cannibol — the main active ingredient in marijuana) must first be extracted into a butter or oil mixture and then added or cooked with the food.
