Readers know from his now classic Lenin's Tomb that Remnick is a superb portraitist who can bring his subjects to life and reveal them in such surprising ways as to justify comparison to Dickens. The most important thing, I think, has been [Tina Brown's] effort to bring together the intellectual material and the streets. When she was in charge, despite all the complaints from the old New Yorker crowd, one got a much stronger sense of the variousness of American society than one did under the editorship of perhaps the rightfully sainted ...Background.
