Ditchley's impact comes primarily from the new thinking and new connections it generates amongst participants in our gatherings, rather than by publishing reports. International, independent and influential. Museum-iD shares progressive thinking and developments in museums globally. This paper explores the relationship between data ethics and legal compliance, some existing data ethics frameworks and ethical considerations in data collection, sharing and use. McGregor Boyall is a global recruitment consultancy with twenty-five years experience and offices in London, Singapore, Edinburgh and Dubai.
