Aimed at scientifically demonstrating that the universe was created less than ten thousand years ago by a Judeo-Christian god, the museum is hugely popular, attracting millions of visitors over the past eight years.For Righting America we were determined to read the Creation Museum as a text, taking the time to understand the messages that the museum is conveying. Toward that end, I visited the Creation Museum eight times, and Sue seven.Righting America at the Creation Museum — written by two former Bluffton (Ohio) University faculty members — shows how a selective presentation of Scripture, science and history promotes a specific view of God’s created world and a narrow understanding of Christianity.
