

Download Sailing The Pacific Ocean Blue Moons Dont Come Cheap Sailing Stories Book 2

The difference is that Blue Moons Don't Come Cheap is loaded with fantastic pictures of the boat, different ports and other views of the ocean. The writing style is crisp and direct. The author is very straight-ahead and matter of factual, but with good humor on his voice. He seems very laid back and like the kind of guy it would be cool to go sailing with. I think that this alone makes the book a worthy read for anyone who likes boats and sailing. Do you want to remove all your recent searches?
