

Download Saving The Environment Kids Making A Difference

Saving the World at Work: What Companies and Individuals Can Do to Go Beyond Making a Profit to Making a Difference [Tim Sanders] on Amazon.com. *FREE* shipping on qualifying offers. Even the actions of a single person can help to change the world. How? Through simple acts of leadership and compassion. Open up this book Remember, the best way to teach your kids to be considerate to their environment and their future is by showing them how through examples. Coupled with an explanation about the importance of saving the world from dying, it has a greater impact. These exciting true stories will inspire teens to believe in themselves and the ability of determined young people to make a difference in the world. We all know that the planet is changing, but we can make a difference. We can help to slow down the damage that is being done to our environment - if we know what to do.
