I am a homeschooling mom. I started out with Saxon Math Kindergarten, 1, 2, 3 and now 4. I have 6/5, 7/6, 8/7, pre-algebra, Algebra 1 and 2, adv. Math and Calculus. Saxon math programs produce confident students who are not only able to correctly compute, but also to apply concepts to new situations. These materials gently develop concepts, and the practice of those concepts is extended over a considerable period of time.
