Operation Earth. The UK Association for Science and Discovery Centres and the Natural Environment Research Council are to work together on a programme of activities that will explore the importance of environmental science in helping us understand our changing world. CASC is a national platform for Canada's Science Centres and informal science engagement. Science Centres have relevance to all sectors of the population and have become important meeting places for science and society. Northern Ontario's most popular attraction invites you to learn about science with fun, hands-on exhibits, live animals, IMAX Theatre, Planetarium & more! Your donations make a real difference. Glasgow Science Centre is an independent Scottish Charity. We are on a mission to inspire people of all ages to explore and understand the world around them, to discover and enjoy science and to see the relevance it has in their everyday lives.
