This Study Guide was developed by Volusia County teachers to help our students prepare for the Florida Biology End-Of-Course Exam. The Florida EOC is broken down by the following Measurement Topics (MT)...Computer science is the study of processes that interact with data and can be represented as data in the form of programs. It is the theory, experimentation, and engineering that enables the use of algorithms to manipulate, store, and communicate digital information. Second, a focus on practices (in the plural) avoids the mistaken impression that there is one distinctive approach common to all science—a single “scientific method”—or that uncertainty is a universal attribute of science. Common Core State Standards for English Language Arts & Literacy in History/Social Studies, Science, and Technical Subjects appendix A | 3 rarely held accountable for what they are able to read independently (Heller & Greenleaf, 2007).
