Sue Lawrence is a food writer and journalist who has written many books on cooking and baking, including *The Scottish Kitchen* (2002), *The Sue Lawrence Book of Baking* (2004) and *Eating In* (2011). She lives in Edinburgh. Scottish food does not have a good reputation, but I was interested to read about the baking traditions. None of the recipes from this book will enter my repertoire, but I did learn about girdles and shorties. Since winning the 1991 series of *MasterChef*, Sue Lawrence has written on food and cookery for a number of newspapers and magazines, and is the author of *Scottish Baking* and *A Cook's Tour of ...* Sue Lawrence is a food writer and journalist who has written many books on cooking and baking, including *The Scottish Kitchen* (2002), *The Sue Lawrence Book of Baking* (2004) and *Eating In* (2011).
