Shade, the Changing Man is a fictional comic book character created by Steve Ditko for DC Comics in 1977. The character was later adapted by Peter Milligan and Chris Bachalo in one of the first Vertigo titles. Vertigo released a lot of weird stories during the 1990's, this being one of the weirdest. Shade the changing Man is, in my experience, one of the lesser known titles to come out of DC, but is certainly worth the read.
