The following op-ed by Hanne Nabintu Herland concerns the Norwegian government's persistent soft spot for the Palestinians. It was originally published in Aftenposten, Norway's largest newspaper, on January 15th, 2013, and has been translated by the author. International relations (IR) is a branch of political science, that deals with foreign affairs and global issues among the states within the international system, including the roles of states, intergovernmental organizations, non-governmental organizations (NGOs) and multinational corporations. Etymology and nicknames. The name "Chicago" is derived from a French rendering of the indigenous Miami-Illinois word shikaakwa for a wild relative of the onion, known to botanists as *Allium tricoccum* and known more commonly as ramps. The culture of the Southern United States, or Southern culture, is a subculture of the United States. The combination of its unique history and the fact that many Southerners maintain—and even nurture—an identity separate from the rest of the country has led to its being the most studied and written-about region of the U.S.
