Best of all, if after reading an e-book, you buy a paper version of Show Me the Numbers: Designing Tables and Graphs to Enlighten. Read the book on paper - it is quite a powerful experience. Read the book on paper - it is quite a powerful experience. Show Me the Numbers: Designing Tables and Graphs to Enlighten Book Descriptions Most presentations of quantitative information are poorly designed—painfully so, often to the point of misinformation. I wrote the book, Show Me the Numbers: Designing Tables and Graphs to Enlighten in 2004 to help people like you respond to the challenges that you face every day when presenting quantitative information.
