Stream ad-free or purchase CD's and MP3s now on Amazon.com. Babel is the new leaked Mumford & Sons album after their last success. The band has been keeping quiet about their upcoming album download leak, though there has been some news that they would be back soon with a brand new album after their very successful album "Sigh No More" mp3 which featured the song "The Cave" that was recognized ... Well, I guess I get to be the first review of Ghosts. (Even though it came out last year!). Let's just say, if you have missed this album then you need to pick it up and listen.
