Making it happen Vlog 340,920 views](#) The small house concept really intrigues me. But as others have mentioned, half of this book is houses over 1500 sq ft. Some of the houses are not houses at all, but 800 or 100 sq ft additions. I would have also liked to see more pictures of the design detail that addresses small house challenges such as storage. There are very few closets shown or explained.
