Tear off your own limbs to get back your hat in this funny puzzle platformer. Race toy cars around a desk, bathroom floor and a kitchen table. Earn cash to buy upgrades. Created in 1958 and still running, the strip has released more than 190 books so far (and even more short stories), it is the most popular and respected comic book series ever produced in Spain, and probably the only local franchise that can still compete in sales with Manga and American Comic Books at this point in the Spanish market. Port Manteaux churns out silly new words when you feed it an idea or two. Enter a word (or two) above and you'll get back a bunch of portmanteaux created by jamming together words that are conceptually related to your inputs.
