

Download So, I Can't Play H, Vol 3

So, I Can't Play H! (Japanese: ?????? H (???) ??????, Hepburn: Dakara Boku wa, Ecchi ga Dekinai.), shortened to Boku-H (? H (???), Boku-Ecchi), is a Japanese light novel series written by Pan Tachibana and illustrated by Yoshiaki Katsurai. I'm sorry to have kept you waiting a new game for a long time even I told you that I'm going to release it soon. I have been sick in bed recently and it is hard to speed up operations. The 2nd GROW NANO series. This is similar to the original one. There are only three panels, you can complete it within 2 minutes. Only 6 methods at last count. This is a nice set of episodes if you don't already have most of them. I have the first 3 volumes (60's, 70's 1, 70's 2) and almost all the individual releases trying to get every available episode.
