Special Seating: An Illustrated Guide - Revised Edition [Jean Anne Zollars] on Amazon.com. *FREE* shipping on qualifying offers. This book provides a step-by-step assessment, measurement and design process for people requiring seating/mobility systems. Specifically Not a big escort-cards fan? There's another way to display your table assignments. Seating charts are a great alternative, and these real-wedding examples will show you just how to use them. This is a complete guide to the football stadiums of the 114 colleges and universities that are in the NCAA Division I-A. Information for each stadium includes the year it opened, its current seating capacity, its special features, the dates, descriptions, costs and financing of any renovation or addition, and its playing field surface. These unique ideas for escort cards and seating charts won't just blow your guests' minds—they'll guide them to their tables.
