Elm Books were delighted to be involved in the publication of St Aidan's Adventure Treasury. They gave a presentation and had a display for the book called 'St. Aidan's Adventure Treasury'. It was clear to see all the hard work the students had put into their creative and well-written book. Parents, Sr. Ann and many other close friends of the school attended this very thrilling event for our 2nd years. Below is our current timetable for residential trips for students. Please note that all prices are approximate.
