With *Revenge of the Sith*, Stover sets the standard for not only a great film novelization, but for an engaging Star Wars book. I fully plan on returning to this book regularly. I fully plan on returning to this book regularly. Books like this remind me why I enjoy Star Wars, reading, great storytelling, and even the English language. This novel speaks to the ideas of despair, hope, loyalty, manipulation, courage, and, of course, darkness and light. Matthew Stover wrote my favorite Star Wars book, *Traitor*, the story of Jacen Solo's philosophical meanderings under torture, and made Jacen Solo my favorite New Jedi Order Star Wars character. Obi-wan's complex personality really shone through in *Revenge of the Sith*, as well as the complexities of Yoda, Mace Windu, and Palpatine's plot.
