Text Structure Background. Text structure refers to how the information within a written text is organized. This strategy helps students understand that a text might present a main idea and details; a cause and then its effects; and/or different views of a topic. Rapid Resolution Therapy® eliminates the negative emotional or behavioral influence of traumatic events, whether these experiences are remembered, repressed or forgotten. Unlike other forms of treatment, with Rapid Resolution it is not necessary to relive past events or experience any pain. There a
