

Download Surgical Tech Instruments Study Guide Pdf

The Surgical Technology Program is accredited by the Commission on Accreditation of Allied Health Education Programs (www.caahep.org) upon the recommendation of the Accreditation Review Council on Education in Surgical Technology and Surgical Assisting. My, how things have changed! It was 1978 when I first entered the operating room as a surgical/OR tech for the United States Air Force. My first duty station was at a base that had three OR suites. Remote surgery (also known as telesurgery) is the ability for a doctor to perform surgery on a patient even though they are not physically in the same location. Circumcision surgical procedure in males involves either a conventional "cut and stitch" surgical procedure or use of a circumcision instrument or device.
