A tax haven is generally defined as a country or place with very low "effective" rates of taxation for foreigners ("headline" rates may be higher). In some traditional definitions, a tax haven also offers financial secrecy. A tax (from the Latin *taxo*) is a mandatory financial charge or some other type of levy imposed upon a taxpayer (an individual or other legal entity) by a governmental organization in order to fund various public expenditures. A failure to pay, along with evasion of or resistance to taxation, is punishable by law.<sup>1</sup> Introduction. This bibliographic essay collects scholarly, government and professional sources in an effort to show how court-ordered human-rights based decisions and legislative responses in U.S. nationality law, coupled with an American notion of nationality as "allegiance" and accidents of history in matters of taxation and a ...It wasn't the first time Irwin Schiff had been thrown in the slammer by Uncle Sam. But when he reported to start serving a 14 year sentence for "tax crimes" at age 77 he was fairly certain it would be the last.
