

# Download The American Mission Matthew Palmer

The American Mission is worth suspending disbelief for, but when you look back at its trail from cover to cover, disbelief, or something like it, taps you on the shoulder with a smile to say I told you so. Matthew Palmer's "American Mission" and his more recent "Secrets of State" are well-crafted examples of what a talented writer can do with stories based on personal experience. His characters and locations come vividly to life as the creations of a veteran U.S. foreign service officer. Matthew Palmer is, indeed, a masterful storyteller. About The American Mission One of NPR's Best Books of 2014! After witnessing a devastating incident in Darfur, Alex Baines is stripped of his security clearance and relegated to a desk job. Global headlines come to life as intrigue and international politics collide in the Congo in this electrifying debut thriller from Matthew Palmer.
