

Download The Ark Tyler Locke 1 Boyd Morrison

The Ark by Boyd Morrison offers an interesting mixture of the past, present, and maybe not so distant future. Dilara is a representation of those who believe there can be some truth to the Biblical stories, even if not literal. Tyler on the other hand, only believes what he sees. In national bestselling author Boyd Morrison's debut, the unraveling of one of the greatest archeological mysteries from the bible—Noah's Ark—could threaten civilization itself in this blockbuster hailed by James Rollins as "a stunning thriller." I picked up a copy of The Ark by Boyd Morrison a few weeks ago without realizing it's the first in a new series called Tyler Locke. I love archaeological mysteries, so it was a no brainer for me to buy the book. In fact only when I went to Goodreads to write my review there I realized it's the first in the series, which I was extremely pleased with.
