The Arrangement series is like a first love gone wrong for me. Being so simple but relatable, it was one of the books I absolutely adored and sang praises to when I first got into reading. I loved Sean and I understood his sorrow and self-torture, but I loved Avery too to know that Sean needed a lot more proving to deserve her. H.M. Ward has done a fantastic job with creating this world. I am so in love with Sean and Avery. I want the happy outcome. I want them to have the white Pickett fence. I am so glad I get to be on this journey, story their story unfold. The Arrangement 9 (The Ferro Family) von H.M. Ward. The Arrangement (The Ferro Family) (Book 9) Danke fürs Teilen!
