Home > The Awakening (Leopard People #1) The Awakening (Leopard People #1) Author: Christine Feehan. Chapter 1. The warm wind gently carried the message through the lush vegetation of the rain forest, traveled high into the dense canopy that shrouded the jungle in mystery. Wild honeybees built combs just beneath the crown, out of reach of most of the animals. If they heard the wind whispering ...The Awakening is book 1 in Christine Feehan's Leopard Series. Rain forests, mangos, and tarsiers pulled me in right away. Having seen and held a tarsier in the Philippines, I can easily relate to the glorious descriptions in this story. The tarsier is one of the smallest primates with the biggest eyes. The Awakening (Leopard People #1)(23) Author: Christine Feehan Brandt caught her hips as she rose up on her knees and dragged her back against him, his body bending dominantly over hers as he took her from behind, plunging deep to follow the ice-cold trail through her hot, tight sheath. The Awakening by Christine Feehan, now you can read online. Chapter 1. The warm wind gently carried the message through the lush vegetation of the rain forest, traveled high into the dense canopy that shrouded the jungle in mystery.
