Jeffery Deaver's story, set in California, sets out to dazzle and bewilder readers with all manner of cyber-clues and deceptions ... a classic detective yarn (Gerald Kaufman The Scotsman) Werbetext A killer tracks his victims through their virtual world in Deaver's powerful standalone thriller. The Blue Nowhere is my fourth Jeffery Deaver read, and it has confirmed my belief that I will have a love-hate relationship with Jeffery Deaver's work. Jeffery Deaver, New York Times bestselling author of The Skin Collector and The Bone Collector featuring popular forensic detective Lincoln Rhyme, delivers a masterful thriller about a psychotic computer hacker/killer packed with stunning and fact-based technical details and signature Deaver plot twists.
