The eighth Earl of Glencrae has no choice but to kidnap Angelica, the one Cynster sister with whom he hadn't wanted to tangle. But to save his castle and his clan, he must persuade her to assist him-and he's prepared to offer marriage to seal the deal. The Capture of the Earl of Glencrae was my third book by this author and I enjoyed it as much as the previous ones. I really appreciate the way Laurens develops her characters. Her heroines are not some blushing flowers, they are strong and completely able to care about themselves. Of course not. Best of all, if after reading an e-book, you buy a paper version of The Capture of the Earl of Glencrae (Cynster Series). Read the book on paper - it is quite a powerful experience.
