It's just for reviewing & keeping track of books you want to read/have read, sharing them with friends...more Goodreads is not a site for reading books. It's just for reviewing & keeping track of books you want to read/have read, sharing them with friends and connecting with other readers. The Care and Keeping of You 1 If you've been starting to wonder what's happening to your body, you're not alone! Millions of girls ages eight to ten have felt just as you do now and have turned to this book for straightforward advice. The Care and Keeping of You: The Body book for Older Girls is a great companion to the first in the series. The book presents a lot of information for girls already in the middle of puberty. The book covers topics such as how to take care of body hair and dealing with moodiness, tampons, the sorts of things that girls read seventeen magazine for in a way that is less appearance focused. The Care and Keeping of You 1 If you've been starting to wonder what's happening to your body, you're not alone! Millions of girls ages eight to ten have felt just as you do now and have turned to this book for straightforward advice.
